Why Select Coffetek?

Coffetek has more than 30 years experience in the design and manufacture of beverage dispense systems. Our products have been successfully exported throughout Europe and as far afield as the Far East and Australasia. In the UK we have built an enviable reputation for equipment simplicity and reliability achieved through exploiting our experience in product design and innovation.

Coffetek is a member of the Azkoyen Group of companies, with origins dating back to 1945. Azkoyen specialise in the design and manufacture of a complete range of merchandising systems. With this combined expertise & resource we are able to offer one of the most comprehensive refreshment solutions in the world.

Coffetek Guarantees

Outstanding quality and reliability. Precise control of product delivery and temperature ensuring the ultimate consumer experience.

Geneva Vend Reliability

Fitted as standard to the Geneva beverage range Coffetek's I-Detect™ guarantees that the selected item is delivered to the customer or their money is returned.

Minimising Impact on the Environment

Coffetek is committed to minimising the impact of its activities on the environment. The Geneva beverage range has an advanced power management system which reduces power consumption during low-use periods.

GENEVA TABLE TOP

The Geneva beverage machine provides coffee shop quality beverages which are pre-selected through an intuitive user interface, incorporating a large LCD screen and positive feel keypad. The Geneva provides a full coffee shop style menu – anything from sophisticated Continental Coffee blends (using either Instant, Freshbrew or Fresh Bean Coffees) to Fresh Leaf Teas, Chocolates and Soups.

- I-Detect – providing a guaranteed vend, I-Detect also allows the user to place their own cup, automatically detecting the cup and dispensing the drink
- High capacity cup system dispensing plastic or paper cups
- Internal stainless steel panelling – durable & easy to clean
- Jug facility – providing beverages for those all important meetings
